

CONSPICUOUS SOLUTIONS

Industry-Oriented Technical Training Program For Engineering Students

Duration: 15 Days
Schedule: 4 Hours per Day
(Monday – Friday)

OUR PRODUCTS

We have successfully developed and published two mobile applications, fully compliant with platform guidelines and available across all major app stores.

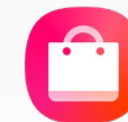

These applications are available on:

1. **Google Play Store**

2. **Samsung App Store**

3. **App Store**

4. **Indus App Store**

PURPOSE OF THE TRAINING

- **The objective of this training program is to help students**
- **Understand real-world software development practices**
- **Gain practical exposure to industry tools and workflows**
- **Strengthen programming fundamentals**
- **Learn development logic**

TRAINING PROGRAM OVERVIEW

1

Training Duration: 15 Days

2

Daily Training Time: 4 Hours per Day

3

Training Days: Monday to Friday

4

Training Mode:

- Theory Sessions
- Practical Coding
- Hands-on Exercises
- Mini Project Development

TRAINING TOPICS

ANDROID DEVELOPMENT

Practical Learning Approach

The program focuses strongly on hands-on practical learning

- **Live Coding Sessions**
- **Practical Assignments**
- **Real Development Examples**
- **Problem Solving Sessions**
- **Mini Project Implementation**

CERTIFICATION

Upon successful completion of the program, students will be awarded a certificate that is digitally linked and verifiable through our official website, ensuring authenticity and credibility.

BENEFITS FOR STUDENTS

1

- **Real Industry Exposure**
- **Practical Programming Skills**
- **Understanding of Development Workflow**
- **Experience in Building Projects**
- **Industry-Verifiable Training Certificate**

2

BENEFITS FOR THE INSTITUTION

- **Improve students' technical skills**
- **Enhance placement readiness**
- **Provide industry exposure**
- **Strengthen industry–academic collaboration**
- **Opportunity for deserving students to receive future internship or job opportunities with Conspicuous Solutions based on performance and suitability**

BENEFITS FOR THE INDUSTRY

3

- **Access to a pool of skilled and trained students**
- **Reduced training time for new hires**
- **Opportunity to identify and recruit talented candidates early**
- **Fresh ideas and innovative thinking from students**
- **Stronger collaboration with academic institutions**
- **Improved brand visibility among students and campuses**
- **Cost-effective talent acquisition**
- **Contribution to building a job-ready workforce**

COLLABORATION PROPOSAL

Conspicuous Solutions is pleased to collaborate with your institution in delivering an industry-oriented technical training program designed to equip students with the skills, confidence, and readiness required for professional success.

INFRASTRUCTURE REQUIREMENTS

For smooth training execution, we request:

- **Computer Lab with Internet**
- **Projector / Smart Classroom**
- **Basic Programming Knowledge (Preferred)**

THANK YOU
